Remarks

The above Amendments and these Remarks are in reply to the Office Action mailed June

28, 2005. No fee is due for the addition of any new claims. Claims 1-42 were pending in the

Application prior to the outstanding Office Action. The present Response cancels claims 2, 4, 12

and 17, amends claims 1 and 11, leaving for the Examiner's present consideration of claims 1, 3,

5-11, 13-16, 18-42. Reconsideration of the rejections is requested.

Conclusion

The references cited by the Examiner but not relied upon have been reviewed, but are not

believed to render the claims unpatentable, either singly or in combination.

In light of the above, it is respectfully submitted that all of the claims now pending in the

subject patent application should be allowable, and a Notice of Allowance is requested. The

Examiner is respectfully requested to telephone the undersigned if he can assist in any way in

expediting issuance of a patent.

Enclosed is a PETITION FOR EXTENSION OF TIME UNDER 37 C.F.R. § 1.136 for

extending the time to respond up to and including today, December 28, 2005.

The Commissioner is authorized to charge any underpayment or credit any overpayment

to Deposit Account No. 06-1325 for any matter in connection with this response, including any

fee for extension of time, which may be required.

Respectfully submitted,

Date: Perente 28, 2005
